28 June 2000

Sir:

Pursuant to the duty to disclose under 37 CFR § 1.56, Applicant submits herewith information for consideration by the Examiner. The submission of this information is only for the purpose of providing a complete record, and is not intended to be construed as an admission that the information antedates the claimed invention, or as an admission that the information is material to patentability, or relevant or analogous to the claimed invention.

Accordingly, the Applicant reserves the right to establish an invention date earlier than filing date of the claimed invention, and the right to establish that the information is not material to patentability, or relevant or analogous to the claimed invention. Also this submission shall not be construed to mean that a search has been made, or that there exists no other information as defined by 37 CFR § 1.56(a).
